DEAR FAMILIES

An action packed week is ahead with our students in Years 3 and 5 participating in NAPLAN, which will run from Wednesday 12th March – Monday 24th March. Mrs Stephenson has set up a fantastic testing environment in the library for the students and Miss Fiona has prepared fresh fruit, which will support the students in doing their best.

Year 3 and 5 students have had time to explore the NAPLAN site to ensure they are familiar with the platform and equipment.

Please encourage your children to eat and sleep well, and also drink plenty of water and do the best they can. Please let me know if you have any questions or concerns.

PUPIL FREE DAY

Professional Development

Monday 14th April (the first day of Term 2), will be a pupil-free day. Teachers will spend the day backwards mapping, creating rich assessment tasks and working in collaborative teams to identify focuses for English, Maths and Real Life Inquiry.

The school (primary and preschool) will be closed for the day so students will not attend. Camp Australia will be operating from 7:30am – 6:00pm, offering care for our parent community. If you need more information, please contact Camp Australia at <https://campaustalia.com.au/>

SCHOOL COUNCIL

Thank you to all the parents that were on our 2024 School Council, we appreciate your input and support of the school. Welcome to the new members of our 2025 School Council, we look forward to working with you all.

2024 CELEBRATIONS

- The completion of the concrete pathway to the bike shed and the extension of bike racks, improving accessibility and safety for all students.
- Successful fundraising events, including the Trivia Night, School Concert, Democracy Sausage, Disco and Deckchair Movie Night.
- The council's commitment to enhancing the Sound Garden by adding a mural and upgrading the student bathrooms.
- We successfully increased our Camp Australia monetary contribution to the school for the next two years, ensuring continued support for our programs.
- Continuing to work together as a group and ensure solid governance for the best outcomes for the students.

3-WAY CONFERENCES - SAVE THE DATE

Three Way Conferences will be held on Tuesday 25th March from 1:40 until 6:00 p.m. The purpose of 3 Way Conferences is to discuss your child's progress so far and for them to share their learning goals. The length of each conference will be 10 minutes.

This term we will be using an online booking system called **Booking**.

Booking will be available from Monday 21st March to book your Three Way Conference and we recommend that access the App as soon as possible.

RIDING SAFELY TO SCHOOL

We have noticed an increase in students riding their bikes around the bike shed in the mornings and afternoons, as well as some not wearing helmets.

Could you please take a moment to speak with your child/ren around bike safety, including:

- Stay on the footpath and cross at the designated crossings that display the flags.
- Wear a helmet when riding to and from school, including on scooters.
- Arrive, park your bike/scooter, and head straight to class.
- Collect your bike and leave school promptly in the afternoon.
- Do not ride around the bike shed area before or after school.
- Respect others' property – do not touch or play with bikes that are not yours.
- Report any concerns to a teacher or the office, so we can follow up.

SOUND GARDEN MURAL STORY

Last year as part of Real Life Inquiry Global Concept around Change, the 4/3 students made suggestions about improvements to many different parts of the school. The opportunity arose to redevelop the “sound-garden” area as both teachers and students had noticed it was an overly hot (children recorded a ground temperature of 49 degrees!) and under-used space.

Mr White and the 4/3 students and teachers created a prize winning 3D art-work called “Unity” for the Seabreeze festival. It was decided that a more permanent version of this work would be a great way of retaining and consolidating the deep learning that begun during that project. The wetland and Larrakia calendar artwork is gradually coming to fruition and local artist “Tropgoblin” AKA Eli has completed a beautiful painting of our school emblem, the red-tailed black cockatoo.

The remaining space will be transformed into a “Sensory Garden” with the generous support of Darwin Bunnings. Garden beds with colourful, tactile and scented plants will eventually replace the sand. The end result will hopefully see the area (and the instruments) being used by more children, more often.

BACK TO SCHOOL VOUCHERS

Just a gentle reminder for families who have not as yet accessed / utilised their NTG \$200 Back to School Voucher, these expire at the end of Term 1. Please make contact with the front office to arrange how you would like the available funds to be spent / allocated.
